TOURNAMENT RULES

This tournament will be played under FIFA Rules, however the following modifications apply.

1. All games will be considered as final and no protest will be allowed, not applicable to forfeiture defaults or imposition.
2. Team rosters must be submitted prior to the start of the tournament.
3. All players must be of the age of the group that they are playing in. Age is determined not by date of birth but by the calendar year of birth. This means the player must be or turn the age of the bracket by December 31 of the tournament year. Age can only be questioned by the team captain or manager. If there are any questions about age, the manager of the team (not a player) needs to ask the referee to check the player in question's ID. An age protest may only be made prior to the start of play, at the half time or immediately upon final whistle; the player in question must present the ID before the game clock runs down, but the player cannot play until cleared by the referee. At the time of protest both teams will repair to the sideline. The team managers, the referees and the player in question will meet in the middle of the field. No other persons are allowed on the field at this time. The referee will inspect the ID and their judgment will be final. Upon presentation play will resume until the end of time. If ID is requested at the end of play the player must present their ID within 5 minutes of the request.

THIS RULE WILL BE STRICTLY ENFORCED: Teams that field ineligible players will be assessed with an automatic 0-3 loss. There will be NO exceptions.

4. Slide tackling is not allowed. Any slide tackles will result in a Red Card. If both teams in a game so choose, team managers may confer with the referee prior to the game at hand to amend the rule for the game being played. Slide tackling must be directed at the ball. Any slide tackles directed at players may result in a Red Card.
5. Unlimited substitutions will be permitted at any break in play upon notifying the referee.
6. Yellow Cards entail an automatic five (5) minute cooling off period. The player may be substituted. This includes goalies.
7. A player ejected for a red card will automatically miss his team's next game. Depending on the severity of the ejection, the Tournament Director has the right to extend the suspension.
8. A player ejected for fighting or striking another player, will be suspended for the rest of the tournament. The team will play future games with one less player.
9. A player or team official (coach or manager) who physically attacks a player, referee or tournament official will be suspended from the rest of the tournament and possibly all future tournaments, at the discretion of the tournament director.
10. Any player not playing for the team that was on the original roster will be disqualified and the team that allowed him to play will forfeit the game.
11. Teams that forfeit games by no-show will not be invited to future tournaments.
12. Players may be of any gender, so long as the player meets the age requirement of their given bracket.

13. The Group A Champion teams will be granted a discount off registration of the 2018 Harvest Cup tournament in their bracket if tournament occurs with that age group and the 2018 age group the next year is of 8 teams or more.
14. Games are 60 minutes with 30 minute halves and a 5 minute rest. No tie-breaking in tournament play. Quarter-final ties broken with 5 penalty kicks then ended by sudden death with the first missed goal. Semi-final and final ties broken with Penalty Kicks.
15. Teams shall have a 15 minute grace from start time until issued forfeiture for no show unless otherwise decided by the tournament director.
16. If teams have uniforms that are the same color, the team designated as the home team needs to change their uniform.
17. If any issues arise on the fields, the team manager or captain needs to bring the issues to the referee's attention and the referee will contact the tournament director if necessary.
18. Any use of foul language will receive a yellow card. This enforces the first cautionable offense against unsporting conduct as listed in FIFA's soccer laws.
19. Any dissent to the referee by a player or person other than the team captain or manager will receive a yellow card. This enforces the second cautionable offense against "dissent by word or action".
